Collaborating for Inclusion of Older Adults

NWT Community Program Application Form

Name of organization:

Date:

Name of contact person:

Email:

Address:

Phone number:

Fax number:

Describe how your program and activities meet the needs of older adults in your community. How will these activities help decrease their social isolation?

NWT Community Program Application Form

List at least six activities that you plan to offer. How often do you plan to offer them? Include group and one-on-one activities.

What other organization(s) would be a partner(s) with you in this project?

NWT Community Program Application Form

Where do you plan to hold the activities? Show that program locations are accessible, reliable, and meet the needs of community participants.

Describe how you plan to attract older adults to the activities and keep them interested.

Describe how you plan to keep participants safe during the activities.

NWT Community Program Application Form

Who do you plan to hire as the facilitator? What is their experience?

Does your organization have insurance for running community programs? If not do you need help to get this insurance?

NWT Community Program Application Form

Do you have transportation available to take participants to and from activities? What kind(s) of transportation? Do you have insurance to transport people?

Estimate how many participants you expect. How did you get that number?

Include other info about your organization and community that you feel can add to your application.
